

# Coin Sorter

## How it works:

Manually putting coins into deposit, automatically sorts and counts what coins you've deposited

## Made by:

Jordan Mok Jun Wei (2019686)  
DMRO/FT/2B/03

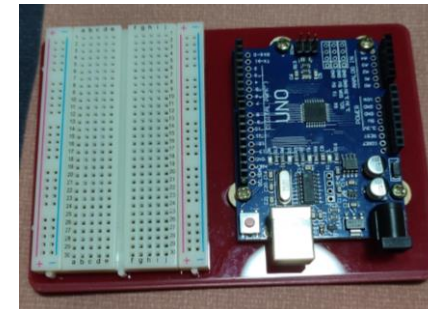

## **Laser Cut Parts:**

- Casing of Coin Sorter
- Coin Storage Box

## **3D Printed Parts:**

- Sorting Board

## **Electronics:**

- I2C LCD
- IR Sensors
- Arduino Uno
